

OPERATIONAL ENERGY GROUP INDIA LIMITED CSR PROJECTS/PROGRAMS APPROVED BY THE BOARD FOR FINANCIAL YEAR 2022-23

Operational Energy Group India Limited believes in quality education and its Corporate Social Responsibility (“CSR”) initiatives are focused towards achieving this goal. Our CSR initiatives are undertaken through **Yashas English School Foundation** (“the Foundation”) which fosters and works towards providing education to underprivileged and to the children from rural background. The Foundation was established in 2015 with a vision to provide quality education to the children of local community including under privileged. We have proactively taken steps and started working towards the direction of contributing to the society even before the Companies Act, 2013 mandated CSR activity.

The CSR activity was approved with the vision to Inspire, Innovate, and Inculcate outstanding Education in every learner. The aim was to

- help the children become self-confident, committed & self-reliant.
- create empowered global citizens who think creatively, logically, and laterally.

The Company has been committed to support this cause and has been donating every year as philanthropic contributions to “**Yashas English School Foundation**”.

The school provides English based education and is recognised as the popular English Medium school in and around the area. It is situated at Malli village about 86 kms from the city of Madurai in the southern Tamilnadu state. The village is populated by agricultural labourers and daily wage workers.

The school is different from the regular state and municipal schools as the school fees is substantially subsidised to attract children from underprivileged and financially weaker section and is mainly run on charitable basis.

The school focuses on the holistic development of the child and gives impetus to Music and Sports which forms an integral part of its curriculum. Classical dance, mridangam and skating as part of the curriculum are offered to the students from 1st Standard.

MUSIC:

We believe that music nurtures the kids' creative side and helps in shaping the child's future. It is believed that music education stimulates the brain with its varied sounds and impacts positively on the child's academic performance assisting in the development of social and interpersonal skills. Children in Yashas School are encouraged to learn music.

This year instrument Mridangam has been added along with other education in music imparted to the students.

SPORTS:

Sports develop the physical as well as mental strength in students. Daily physical exercise is essential for children because exercise not only helps students to stay healthy, but it also helps to improve their emotional fitness. Yashas School provides its students ample of opportunity to excel in the area of sports.

Skating as part of the curriculum is offered from 1st standard to 8th standard. Necessary sports apparels such as skating shoes are provided by the school for all the age groups. A professional skating coach trains the children regularly providing the students constant personal attention.

This year the CSR Committee has approved an amount of Rs.30,00,000 to be donated to Yashas English School Foundation as a part of Corporate Social Responsibility and philanthropic contributions for the Financial Year 2022-23.
