

OPERATIONAL ENERGY GROUP INDIA LIMITED CSR PROJECTS/PROGRAMS APPROVED BY THE BOARD FOR FINANCIAL YEAR 2023-24

Operational Energy Group India Limited is committed to quality education, with its Corporate Social Responsibility (CSR) initiatives centred on this goal. These efforts are channelled through “**the Yashas English School Foundation**” (“the Foundation”), which strives to provide education to underprivileged children and those from rural backgrounds. Established in 2015, the Foundation aims to deliver quality education to the local community, especially to children from disadvantaged backgrounds. Demonstrating a proactive approach, we began contributing to social welfare through educational initiatives well before the Companies Act, 2013 mandated CSR activities.

The CSR activity was launched with the vision to Inspire, Innovate, and Inculcate outstanding Education in every learner. The key objectives were to:

- help the children become self-confident, committed & self-reliant.
- Foster the development of empowered global citizens who think creatively, logically, and laterally.

The Company has consistently demonstrated its commitment to this cause by making annual philanthropic contributions to the **Yashas English School Foundation**. These donations reflect our ongoing dedication to supporting quality education and empowering underprivileged children through the Foundation's initiatives.

The school offers English-based education and has earned a reputation as the leading English Medium school in and around the area. Located in Malli village, about 86 km from Madurai in southern Tamil Nadu, the school serves a community primarily composed of agricultural labourers and daily wage workers.

Unlike regular state and municipal schools, this institution stands out by offering substantially subsidized fees to attract children from underprivileged and financially weaker backgrounds. Operating largely on a charitable basis, the school is dedicated to providing accessible, quality education to those who need it most

The school emphasizes the holistic development of each child, integrating music and sports as core components of its curriculum. From as early as 1st Standard, students are offered opportunities to engage in classical dance, mridangam (a traditional Indian percussion instrument), and skating. These activities are designed to nurture creativity, physical fitness, and cultural awareness, enriching the overall learning experience and contributing to the students' all-round growth.

Krishna Jeyanthi Celebration

Date: 18.09.2023

Engaging in the festivities—through art, music, dance, and drama—enhances creativity, teamwork, and expression. These activities support emotional and social learning, contributing to overall development.

Yashas English School Foundation ensures that children receive a well-rounded education by integrating the celebration of traditional festivals into the school experience.

Celebrating Festivals

Incorporating festivals in the school environment enriches students' experiences and contributes to their holistic growth.

It ensures that traditions and customs are passed down to the younger generation, helping preserve cultural heritage. Teaching children these values through celebrations helps instil them in a meaningful way.

By participating in festival-related activities such as music, dance, and art, students not only learn about their own traditions but also develop creativity, teamwork, and a sense of community.

This approach helps children grow into socially responsible individuals who appreciate their heritage while embracing inclusivity and diversity.

Sports In School:

Sports Day encourages students to engage in physical activity, which is essential for maintaining a healthy lifestyle.

It helps in developing physical skills, improving fitness levels, and fostering a habit of regular exercise.

Participation in sports events can boost students' confidence and self-esteem. Achievements and recognition in sports can provide a sense of accomplishment and pride.

Sports Day helps build school spirit and unity. It brings students, teachers, and parents together in a shared experience, strengthening the sense of community within the school.

At Yashas English School Foundation, Sports Day is a significant event that aligns with the school's commitment to holistic development.

Excursions

School excursions are valuable educational experiences that offer numerous benefits to students. Excursions provide real-world experiences that complement classroom learning. Exposure to new environments and experiences stimulates curiosity and encourages students to explore and ask questions, promoting a love for learning. Managing an excursion involves planning and organization, helping students develop a sense of responsibility and independence.
