

Safety, Health & Environmental Policy

OEG is committed to delivering the highest standards of health, safety and environmental performance. This policy statement defines our commitment to our employees, clients, partners and shareholders.

- We will comply with all applicable laws and relevant industry standards of practice.
- We will continuously evaluate the Health, Safety and Environmental (HSE) aspects of our equipment and services.
- We believe that effective HSE management is good business and we are committed to the continuous improvement of HSE management practices.
- From top management through to entry level, everyone is responsible and Accountable for HSE.
- Protect the health of all people impacted by the work that we do
- Prevent incidents and injuries, with a focus on integrity and the control of major hazards
- Minimise adverse environmental impact, use resources efficiently and manage our carbon footprint

We are committed to the integration of HSE objectives into our management systems at all levels. This will enhance our business success by reducing risk and adding value to our services.
